SUBMISSION OF DRAWING CORRECTIONS FOR APPROVAL BY EXAMINER

United States Patent and Trademark Office
P.O. Box 2327
Arlington, VA 22202

Dear Sir:

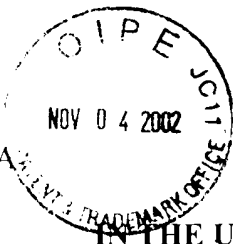

Enclosed for review by the Examiner is Figure 7C in the above-identified application.

In the Figures:

Please amend Figure 7C, labeled as "Figure 7 CONTINUED," as indicated in the attached "red-line" corrected figures.

REMARKS

Applicants point out that the Figure 7C, labeled as "Figure 7 (CONTINUED)," that was filed in the response, dated June 22, 2001, to the Notice to File Corrected Application papers, was mistakenly labeled. The present amendments shown in red on the attached Figure 7C replaces the label of "Figure 7 (CONTINUED)" with "Figure 14C," and the removal of "C" in the upper portion of the figure.

PRELIMINARY AMENDMENT

United States Patent and Trademark Office
P.O. Box 2327
Arlington, VA 22202
ATTENTION BOX: AF

Dear Sir:

In response to the Notice to Comply With Requirements For Patent Applications Containing Nucleotide Sequence And/Or Amino Acid Sequence Disclosures, mailed on October 10, 2002, setting a one-month term for response, Applicants hereby request the entry of the substitute Sequence Listing submitted concurrently herewith into the specification, starting on a new page, immediately following the claims and the consideration of the following amendments and remarks. The substitute Sequence Listing serves to replace the Sequence Listing filed on June 22, 2001.

In the Specification:

Please replace the paragraph beginning at page 7, line 5, with the following rewritten paragraph:
